

Leading the way in health care

Bringing Nurses Back into Workforce initiative Registered Nurses, Enrolled Nurses FT, PPT, Casual

St Andrew's Toowoomba Hospital is an exceptional 'not for profit' health care organization with 137 beds, 5 Operating Rooms, 1 Cardiac Catheterisation lab, ICU, Medical and Surgical wards, and we recognise the importance of facilitating a return to nursing practice for Nurses who have been away from nursing for a while. Our Nurse Refresher Program is comprised of a 20 week course which is clinically supported and competency based. Participants will work in one of three clinical areas hosting the program. Wards include General Surgical, General Medical and Orthopaedics. The 20 week program can commence at any time and **eligible applicants will be able to receive the \$6000 bonus for returning to the workforce.**

Key Criteria for applicants:

- To complete the Refresher Program it is desired that you are able to work a minimum of 5 days per fortnight up to Fulltime (We can be flexible about which days you work). You must ideally be able to work all shifts.
- You have current Registration with Queensland Nursing Council or are eligible for same
- You have not been out of nursing for greater than 5 years
- You have not worked as a Nurse in last 12 month period (to be eligible for bonus scheme)
- You would really like to get back into nursing in an acute care facility

What we will offer you:

- You will be employed by St Andrew's and paid to learn and refresh your skills. You will be able to apply for a position in your area of choice at completion of the program.
- **St Andrew's pays Public Hospital pay-rates**
- You will receive a comprehensive orientation and clinical induction
- You will be supported by a Fulltime Staff Development Coordinator and Part-time Clinical Nurse Educator.

How to apply:

Please forward your written application and CV detailing your last clinical practice/ position, along with evidence of your Registration to:
