Frequently Asked Questions

Who is Vero Voting?

Vero Voting is an independent Australian company that specialises in planning, management and delivery of independent enterprise agreement votes. We have worked with small and large companies such as Reserve Bank of Australia, Bendigo Bank and KPMG.

Why has Vero Voting contacted me?

If you have been contacted by Vero Voting with voting information, it is because you are listed on the voters list of a enterprise agreement that Vero Voting is managing.

How did Vero Voting get my details?

Vero Voting asks for a voters list from our clients for each enterprise agreement. This voters list will contain details of each eligible voter. We use the voters list to manage access to our voting system, and to contact you with voting information.

Will Vero Voting contact me in the future?

Once an enterprise agreement vote is over all personal details are deleted in line with our internal security policy. The only way you will be contacted from Vero Voting is if you are on the voters list for an enterprise agreement in the future, in which case your details would be provided to us at that time.

Does anyone know how I voted?

No. We only conduct secret ballots. Every enterprise agreement vote created in our system is anonymous. Your personal information enables authentication and is not associated with your vote preference.

I can't find my login details to access the vote.

Voting instructions and login details are sent directly by Vero Voting. If you have received an email, SMS, or Letter from Vero Voting, please check it for your login details. If you have misplaced this information, please ring the support line on 1300 702 898.

The voting webpage isn't working

Please use an alternative web browser if your current browser is not working. Google Chrome is the preferred web browser to use. If you are still having difficulty accessing the vote online, please ring the support line on 1300 702 898.

Can I vote more than once?

No.

Have I voted?

When you have conducted your vote, Vero voting will send you a receipt either via email or SMS.

When do I receive the results of the vote?

Vero Voting will send the Declaration of Results to the client once the vote has closed. It will be up to the client when and how this information will be released.

Can I vote early?

Only votes lodged during the voting period will be counted. This means that you cannot vote before or after the voting period.
